Didnt combine accounts! <https://t.co/xvsXHPvKA2>

The screenshot shows a mobile application interface for TD Ameritrade. At the top, there's a status bar with signal strength, battery level (13%), and the time (4:06 PM). Below that is the TD Ameritrade logo and a navigation bar with tabs for Dashboard, Watch Lists, Markets, and Accounts. The Dashboard tab is selected. A red banner at the top of the dashboard says "Markets closed". Below the banner, it shows the DJIA at -2.05%, S&P 500 at -2.57%, and NASDAQ at -2.61%. The main feature is a large display of the current balance: \$4,082,019.21, which has decreased by -\$325,629.53 (-7.39%) from the previous day. There's a link to "Show balance history". At the bottom of the screen, there are icons for sharing (1 share) and liking (79 likes).
